Keep us faithful to the cross that we wear.

In His Name, Amen.

### **Prayer Day 2017 - Consecration Litany**

**All: Each morning I offer myself to my Heavenly Father saying "Take me, Lord, and use me today as You will."**

Leader: Almighty God, Creator of all, you have given us a new day and a new beginning. You are blessing us so abundantly in this special moment in time and place. Let us not squander the opportunities before us but use this day in love and service to You. Today may we seek to do Your Will, as we open our hearts to your presence and guidance in all things.

**All: Whatever work You have for me to do, give it into my hands.**

Leader: Let the work that we do give You honor and praise. You have given each of us special interests, passions, and talents. In humility and appreciation, help us to see these gifts. In prayer and contemplation guide us in the use of these gifts as The King's Daughters and Sons, serving you today and every day.

**All: If there are those You would have me help in any way, send them to me.**

Leader: There are needs all around us – great and small, within our families, our friendships, our communities and the world. Please forgive us when we are closed minded and blind to the needs of others. In faithfulness to Christ and drawing strength from His loving sacrifice for us, please give us the vision and compassion we need to be used by you to love and serve others.

**All: Take my time and use it as You will.**

Leader: Master and Giver of all minutes, hours, and days of our lives, we dedicate to You the time we spend in service through this organization. Enlarge our vision. Through our work take us places we ourselves cannot physically go. Bless our programs as we educate, feed, clothe, and encourage others throughout the world. Lord, use our time as You will.

**All: Give me a loving and willing spirit, dedicated to service to You and others, 'In His Name'. Amen**
