

Chautauqua Housing Director Report 2019

The 2018 Chautauqua season was very successful in several aspects. We hosted several IOKDS groups that were able to enjoy Chautauqua as well as the Pittsburgh Strings Youth Orchestra. Providing affordable housing to enable both members and non-members to enjoy Chautauqua and provide a revenue stream to maintain our properties is a win-win.

- ▶ Season Occupancy Rate 96%
- ▶ Lowest Week Two 83%
- ▶ Five weeks at 100%
- ▶ 40 Individual Reservations

The 2019 season is almost fully booked at 98% occupancy for the time periods available to host guests.

A wonderful new benefit to hosts is available. On top of free lodging a host will be able to purchase a gate pass for \$100 each and a on grounds parking pass for \$75. This is such a great deal for hosting a week that we hope to have a long list of interested host couples next year.

Please contact the new Chautauqua Housing Director if you are interested in visiting or hosting.

I would like to thank you for the wonderful opportunity to promote our beautiful houses and give so many an affordable way to visit Chautauqua. Many thanks to Christine, Chris and Larisa for their support and patience over the last year!

Respectfully Submitted,

Trish Prichard
